

# OSCAR Summer High School Student Research Program

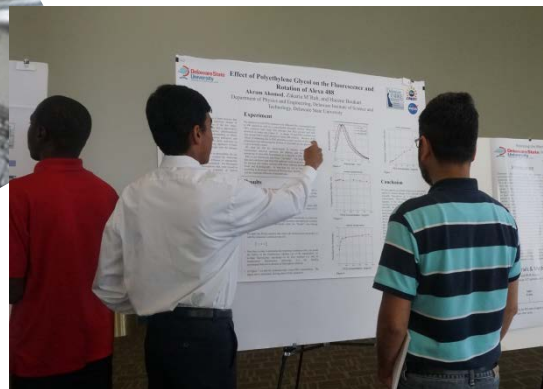

Workshops

Research

Presentations

The OSCAR Summer research program is a 7 week program where students are mentored by faculty, Graduate, and Undergraduate Student researchers from Physics, Engineering, Mathematics, and Computer Science. During the 7 week, program students will conduct research in various OSCAR laboratories, attend seminars & Workshops and at the end of the program; they will present their research at the Annual Delaware State University Summer Research Symposium.

Participants in our summer program will receive a stipend for working 35 hours per week for the 7 week duration of the program. The program will run from June 11 through July 27.

Criteria for participating in our program:

- Interest: Physics, Engineering, Mathematics, Computer Science, Information Technology, or Chemistry
- Rising Junior or Senior
- 3.0 G.P. A. or higher
- U. S. citizen or permanent resident

Application Deadline: March 30, 2018

For more information, please visit the OSCAR Website: [Oscar.desu.edu](http://Oscar.desu.edu) or email Ms. Jones at [jjones@desu.edu](mailto:jjones@desu.edu)
